Experience the Texture of Heritage.

Our specimen kits are available for architects, designers, and printing houses. Feel the unique fibers, weight, and light absorption that standard digital previews cannot capture.

Each kit contains 24 variants of our most popular substrates, presented in a handcrafted archival folder.

REQUEST SAMPLE KIT

SINCE 1984

Crafting the foundation of storytelling.

Physical Archive Vol. 04

Mahaveer Papers

Supplying the world's finest creative surfaces since 1978. Every sheet tells a story of craftsmanship and precision.
